Choose a

## Select publication medium

Think - check - submit

# **Green Open Access**

Subsequent Open Access (possibly with embargo)

#### Authors' rights in the publishing agreement

Only transfer the simple right of use; amend the publisher's contract if necessary.

### **Clarify embargo period**

Embargo period prior to secondary publishing (aka self-archiving) possibly set by publisher

#### Set a CC licence

Recommendation: Creative Commons licence CC BY (Attribution); adhere to publisher's specifications

#### **Determine version**

Publisher allows a specific version for secondary publishing: published version (version of record; in publisher's layout), postprint (after review) or preprint (before review, submitted version)

## Name TU Darmstadt affiliation correctly

Official name "Technische Universität Darmstadt" (English: Technical University of Darmstadt)

## **Select format**

Use compliant file formats for the submission of full texts, research reports, teaching/ study resources and research data; Use TUDa templates as applicable.
